

NOTICE TO MARINERS

BURIAL ASSESSMENT SURVEY

11th December 2014

Mariners are advised that Briggs Marine Contractors Limited will be undertaking a marine survey between Mainland and Jura.

The works will be carried out on the submarine power cable route between:

Carsaig Bay, Mainland (56°01.76'N, 05°38.59'W) to Lealt Bay, Jura (56°02.46'N, 05°45.48'W).

Marine operations will be running for one week from Friday 12th December to Friday 19th December.

Operations will be carried out from the vessel Forth Joustier. During survey operations, Forth Joustier will be **restricted in the ability to manoeuvre**. It is requested that all vessels operating within this area maintain a safe distance and pass at minimum speed.

Operations will be carried out during the hours of daylight, during which the vessel will display the appropriate day shapes/signals and at times of reduced visibility the appropriate lights as required by the IRPCS. The vessel will also actively transmit an AIS signal. A continuous listening watch will be maintained on VHF Channel 16 and DSC.
