EABED MAPPING & COASTAL SURVE

LIA (Call Sign MERD8) Monitoring VHF CH16

Vessel Mobile Vessel E-mail 07740 023 510 lia@osirisprojects.co.uk

MV Lia will be towing underwater sensors up to 100m astern of the vessel and will be restricted in the ability to manoeuvre. It is requested that all vessels operating within this area keep their distance and pass at minimum speed to reduce vessel wash. Survey operations will be conducted during daylight hours only and the vessel will display appropriate day shapes and lights (during reduced visibility) and will actively transmit an AIS signal.
