**Installation of Foundation and Transition Pieces at Gwynt y Môr**

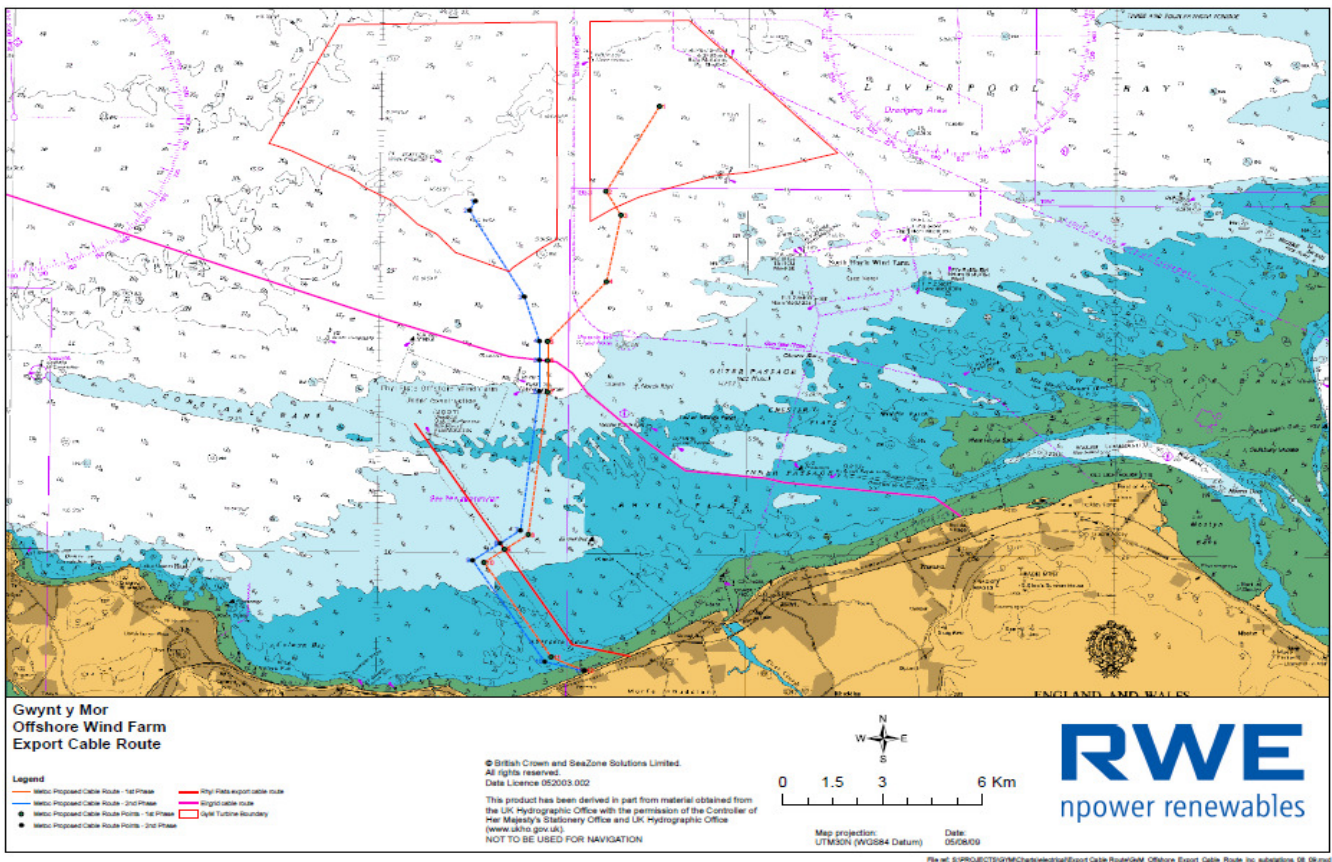

**Duration: 27<sup>th</sup> September 2012 until further notice**

Please be advised that from the mentioned date above, the DP Jack Up Vessel "Friedrich Ernestine" will enter the GyM Wind Farm to carry out trials. The trials are planned to be at E03Q, F18E, E14D and H13G.

After the trials have been completed, the vessel will then assist with the installation of the monopiles and the transition pieces at the site.

The vessel will be operated under Dynamic Positioning when manoeuvring into position before jacking up clear of the waterline. All traffic is advised to keep at least 500m clear of Friedrich Ernestine at all times.

VHF 16 will be monitored at all times.
