Commencement of Diving Operations at Gwynt y Mor

Duration: For the next 6 months approximately

Please be advised that diving operations will commence shortly at the Gwynt y Mor Offshore Wind Farm. The work involves the vessel "Terramare 1" which is a 40m long vessel with a 4 point mooring system. The vessel will be carrying out diving operations within the perimeter of the Gwynt y Mor Offshore Wind Farm at various locations as and when required.

As the vessel will be moored on 4 anchors and will have divers and equipment deployed subsea, all vessels are advised to give at least 1000m clearance from the Terramare 1. The vessel can be contacted on **VHF 16** if required.
