Scour Protection / Rock Armour Layer Works within the Gwynt y Mor Offshore Wind Farm: Extra vessel arriving November 2014.

The rock dumping vessel 'Seahorse' will be commencing operations at various locations within and around the Gwynt y Mor Offshore Wind Farm from late November 2014 until further notice. This is to support the Tideway Rollingstone.

The vessel will require a wide berth of 500m when engaged in operations and can be contacted on VHF channel 16 or DIGIpool 1.
