

Mariners are advised that VBMS will be undertaking construction works in the Mostyn area.

The works will be carried out, centred around 53°24.314'N 003°34.577'W with a 500mtr radius.

Construction operations will be running from Saturday 12th May 2015 to the end of May / early June dependent upon weather delays Friday 8<sup>th</sup> May 2015.

Operations will be carried out from the vessel NDurance. During operations the NDurance will be operating on DP and picking up / laying cable as such it will be **restricted in the ability to manoeuvre**. It is requested that all vessels operating within this area maintain a safe distance and pass at minimum speed keeping at least 500mtr distance from the NDurance.

During operations the vessels will display the appropriate day shapes/signals and at times of reduced visibility the appropriate lights as required by the IRPCS. The vessels will also actively transmit an AIS signal. A continuous listening watch will be maintained on VHF Channel 16 and DSC.
