

NOTICE TO MARINERS

CORRAN NARROWS SUBMARINE CABLES

SURVEY OPERATIONS

15th October 2015

Mariners are advised that Briggs Marine Contractors Limited will be undertaking submarine power cable survey operations in Corran Narrows following the completion of ongoing dive inspections.

The works will be carried out in the area between Corran Point and Corran shoal, covering the full width of the Narrows.

Marine survey operations will be running roughly from Sunday 18th October 2015 for less than one week.

Operations will be carried out from the vessel Humber Guardian. During operations, Humber Guardian will be **restricted in the ability to manoeuvre**. It is requested that all vessels operating within this area maintain a safe distance and pass at minimum speed.

Operations will be carried out during the hours of daylight, during which the vessel will display the appropriate day shapes/signals and at times of reduced visibility the appropriate lights as required by the IRPCS. The vessel will also actively transmit an AIS signal. A continuous listening watch will be maintained on VHF Channel 16 and DSC.
