

# NOTICE TO MARINERS

**Issue Date: 14<sup>th</sup> May, 2018**

**Western Link Project**

## **Cable installed in Liverpool Bay – Urgent operations**

Mariners are advised that urgent operations as indicated within the previous NtM of the 2nd of May are still on going in an inshore section off the Western Link power cables installed during the Shallow Water Campaign in Liverpool Bay as detailed in Table 1.

From around the 18th of May other vessels will be joining the DP Shallow Water Vessel “ATLANTIS” (Call Sign ORKN) to complete the operations at the location identified in Table 1.

The other vessels involved will be the “WAVE WALKER” Jack up barge (Call Sign PBVH), the “NP289” Multipurpose barge and the “WIND” jack up barge (Call Sign OXSW2),

**Vessels are requested to pass at a safe speed and distance and fishing vessels are advised to remain a safe distance (approximately 1.5 nautical miles) from the areas identified in Table 1.**

DP Shallow Water Vessel “ATLANTIS”

Jack up barge "WAVE WALKER"

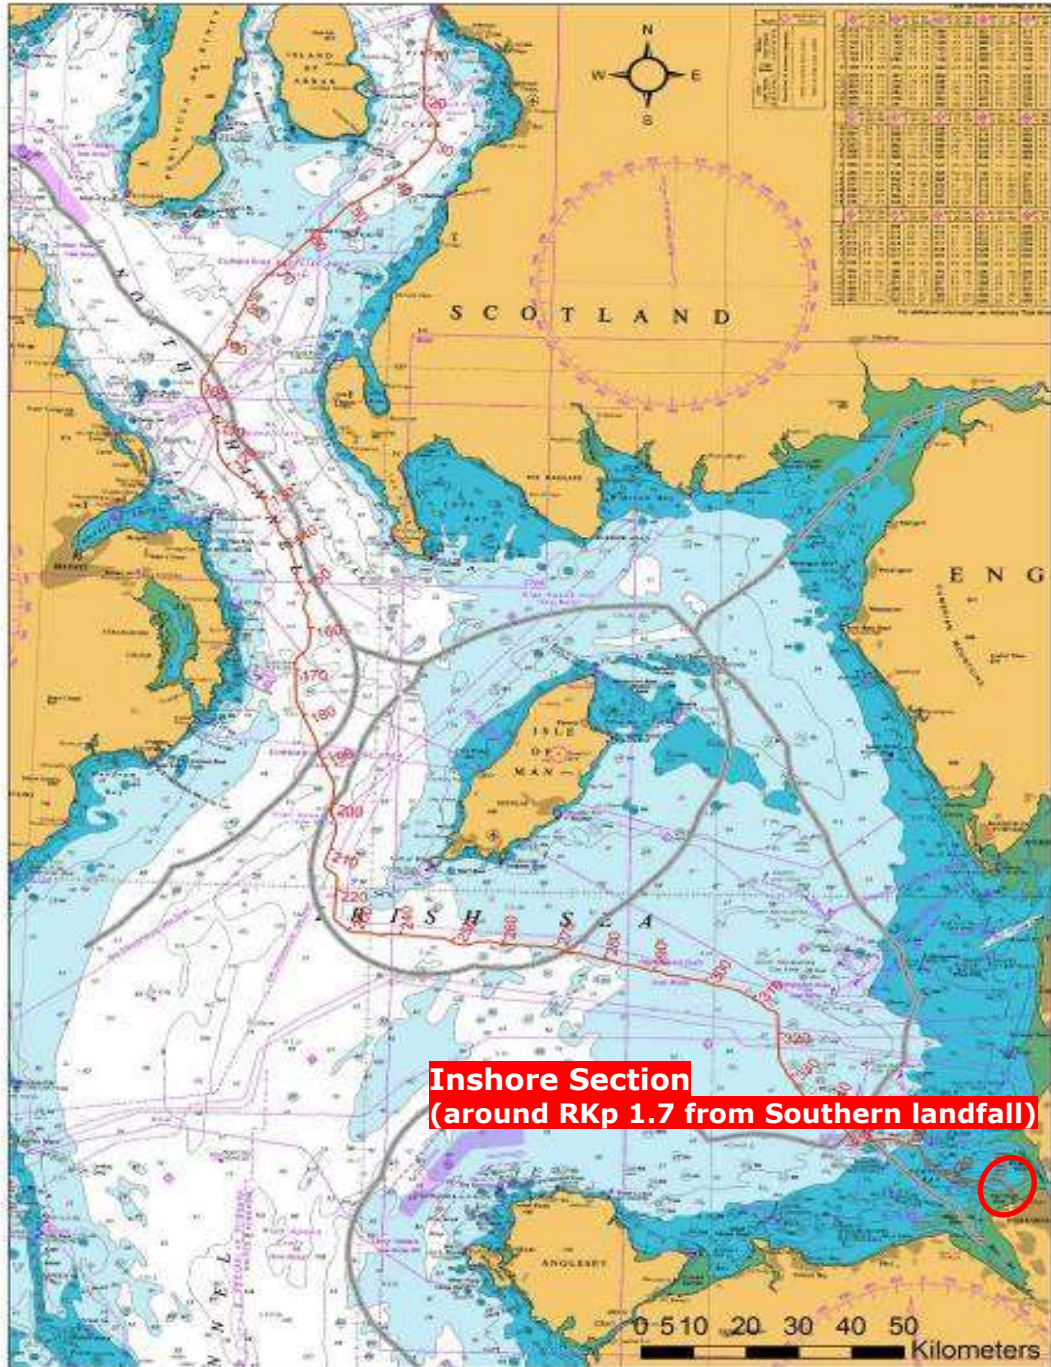

Multipurpose barge "NP289"

Jack up barge "WIND"

Pole 1 & Pole 2
