

## **Local Notice to Mariners**

---

### **2019-001 – Holyhead Deep Update**

Date: March 2019

Issue No: 7

**Recovery of subsea components on**

**Monday 25<sup>th</sup> March 19**

## Local Notice to Mariners

### Recovery of Subsea components

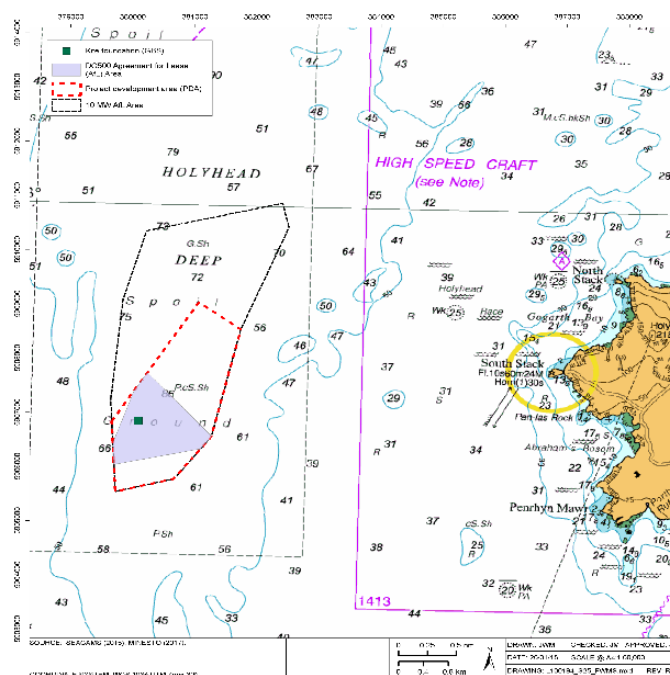

As part of the ongoing development program, and to facilitate system upgrades, some sub-sea components will be recovered from the company's Agreement for Lease (Afl) area in the Holyhead Deep (Details below) and landed at the **PORT OF HOLYHEAD**.

This work will be carried out by the vessels **BOKA FALCON** and **LYNAS SHUTTLE** (Details below).

Work is due to commence on Monday 25<sup>th</sup> March 19 and will take approximate 4 days to complete.

### Overview of the Operational Area

The operation will take place approximately 6 km West of South Stack, off the coast of Anglesey, North West Wales, in the southern section of the Afl area.

### Safety Zone

A safety Zone of 500m will be re-established on a position 53° 17' 47.739" N 004° 47' 45.493" W and will remain in force during the operation.
