

NOTICE TO MARINERS

Issue Date: 22nd April, 2019

Western Link Project

Cable installed in Irish Sea – Urgent operations

Mariners are advised that urgent operations are required to an offshore section installed during the Western Link Campaign 6 in the Irish Sea as detailed in **Table 1**.

As an update to the NtM of the 12th April 2019, the DP2 Vessel “OLYMPIC ARTEMIS” (Call Sign C6BX7) is on site and following survey the location of the required operations has now been amended as per Table 1. From around the 28th April 2019 DP3 Vessel “LEWEK CONNECTOR” (Call Sign 3EZIP8) will also be involved in the operations.

Vessels are requested to pass at a safe speed and distance and fishing vessels are advised to remain a safe distance (approximately 1.5 nautical miles) from the areas identified in Table 1.

DP2 Vessel “OLYMPIC ARTEMIS”
