Installation of FLIDAR (Floating Light Detection And Ranging) Buoy at Gwynt y Mor

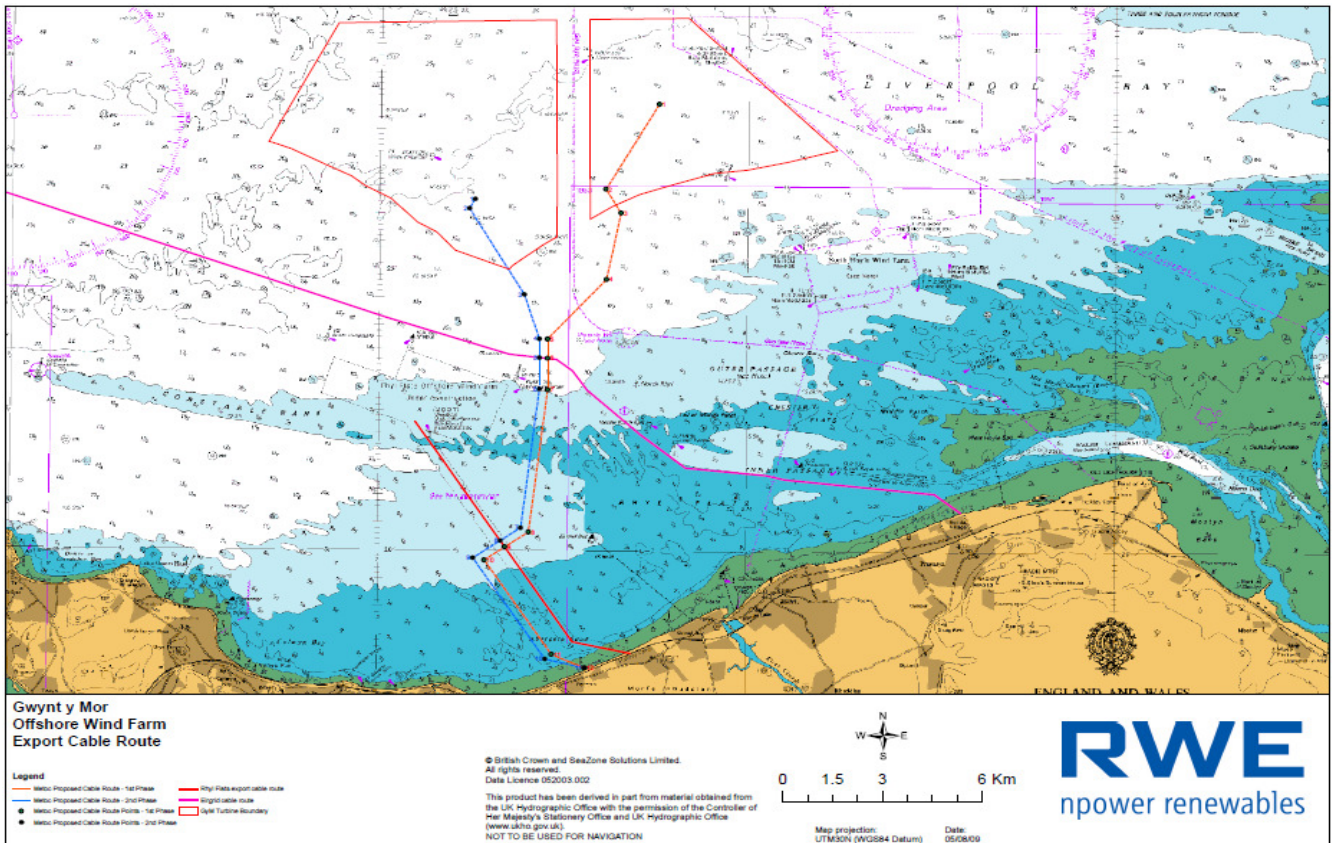

Duration: Anytime from 27th September 2012 – Mid October 2012 (Depending on Weather)

Please be advised that the installation of the FLIDAR Buoy will take place as soon as there is a suitable weather window anytime between 27th September 2012 and mid October 2012. The works are expected to take approx 1 - 2 days.

The works will be carried out by the MCA Cat 2 Workboat "Voe Chief".

The vessel will be operating on the perimeter of the GyM field at a position between the GyM Met Mast and the GyM NE Cardinal Buoy. The deployment location is approx 100m South East of the GyM Met Mast.

VHF 16 will be monitored at all times.
