

## NOTICE TO MARINERS

### Survey Works

---

1<sup>st</sup> April 2015

Mariners are advised that Briggs Marine Contractors Limited will be undertaking survey works in the Mostyn area.

The works will be carried out, centred around 53°24.314'N 003°34.577'W with a 500mtr radius.

Survey operations will be running from Thursday 2<sup>nd</sup> April 2015 to Monday 13<sup>th</sup> April 2015.

Operations will be carried out from the vessel Forth Joustier. During cable survey operations, Forth Joustier will be **restricted in the ability to manoeuvre**. It is requested that all vessels operating within this area maintain a safe distance and pass at minimum speed.

Survey operations will include ROV, MBES and Side Scan Sonar.

During operations the vessels will display the appropriate day shapes/signals and at times of reduced visibility the appropriate lights as required by the IRPCS. The vessels will also actively transmit an AIS signal. A continuous listening watch will be maintained on VHF Channel 16 and DSC.
