The Isle of Man Electrical Interconnector

This chart is provided to indicate the route positions of the UK-Isle of Man Electrical Interconnector cable. It is given for assistance and guidance.
The Manx Cable Company accept no liability for any inaccuracies however caused.

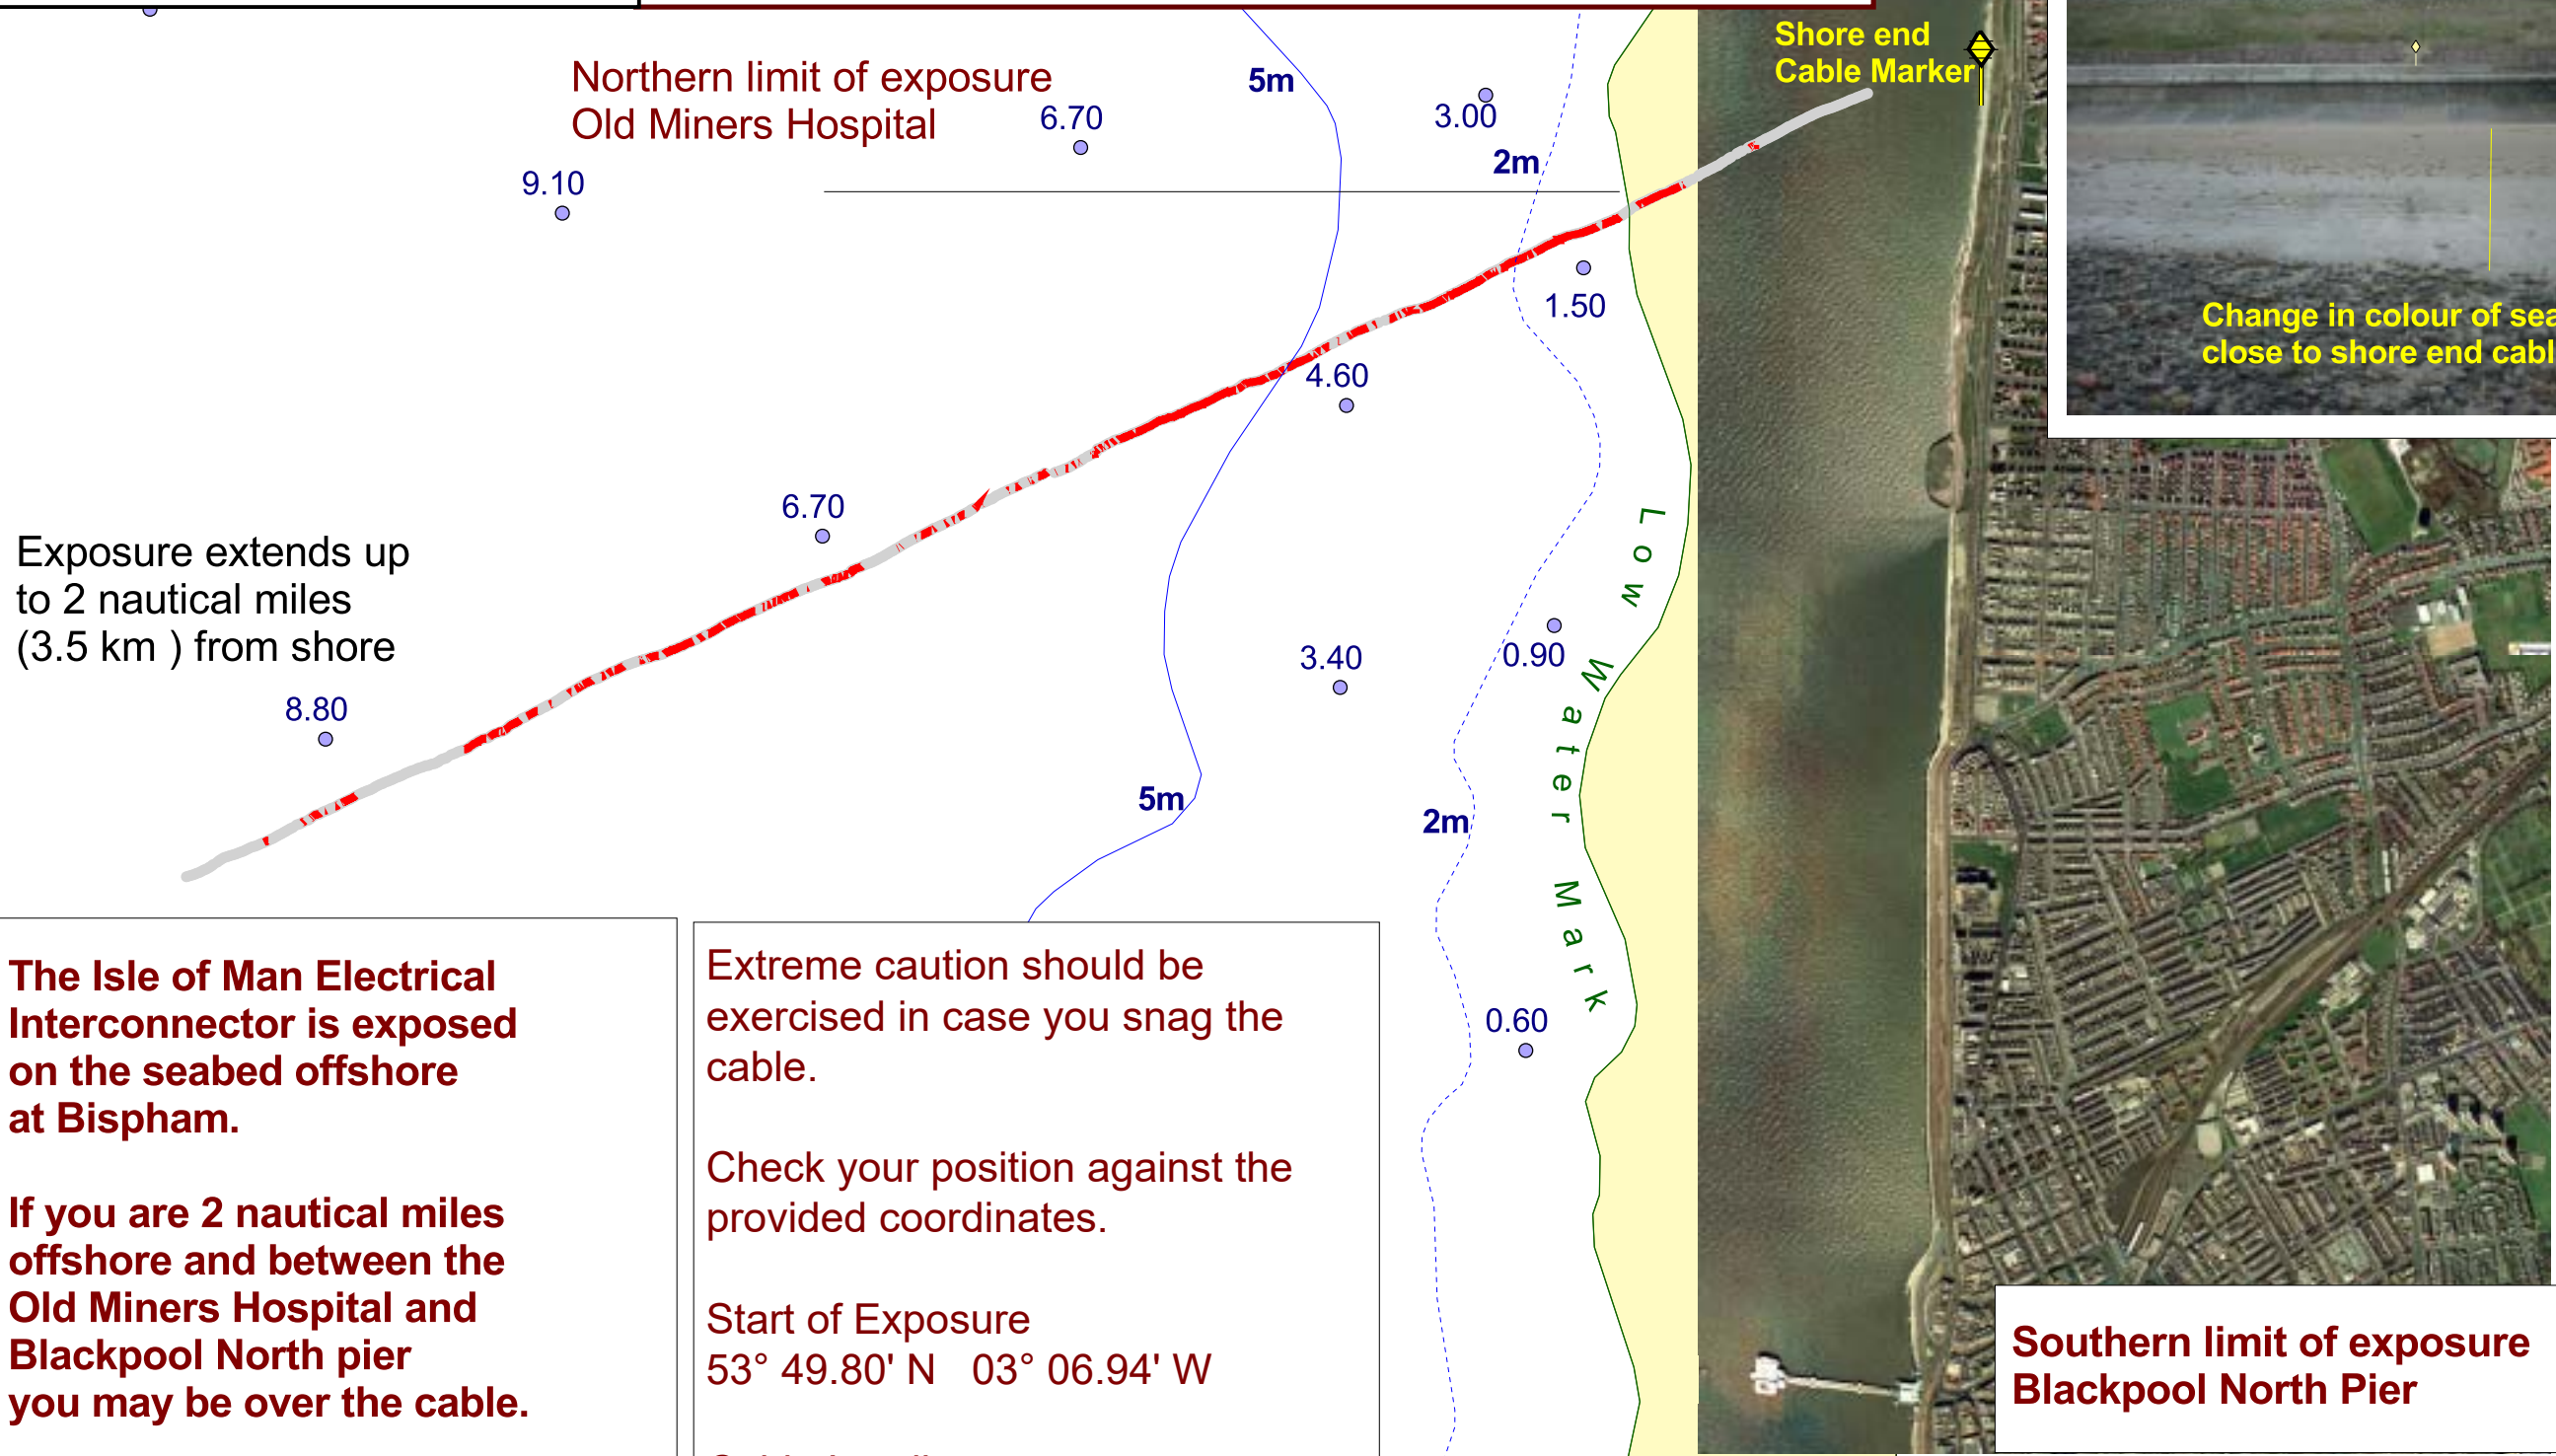

Water depth are taken from Admiralty Charts and are shown relative to Chart Datum

Snagging Event - Emergency Contact

Cable Name - Isle of Man Interconnector Power Cable

Contact - Manx Utilities Interconnector Manager: 07624 498792

Telephone Number (24 hrs): 01624 687 687

The Isle of Man Electrical Interconnector is exposed on the seabed offshore at Bispham.

If you are 2 nautical miles offshore and between the Old Miners Hospital and Blackpool North pier you may be over the cable.

Exposed cable shown in red along route.

Extreme caution should be exercised in case you snag the cable.

Check your position against the provided coordinates.

Start of Exposure
53° 49.80' N 03° 06.94' W

Cable Landing
53° 50.84' N 03° 03.29' W
