Date: 2nd July 2021

Issue No: 9

## **Removal of MGS Buoy**

**July 2021**

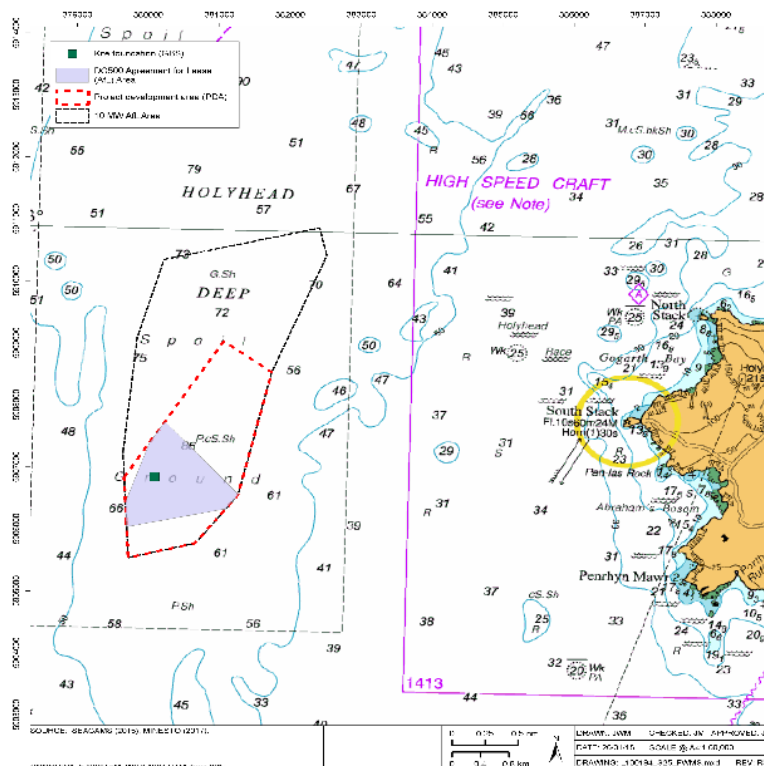

Notice to Mariners

## MGS Buoy - permanent removal

Please be advised that Minesto UK Ltd have permanently removed the MGS Buoy from the company's Agreement for Lease (AfL) area in the Holyhead Deep.

The MGS Buoy was located approximately 6 km West of South Stack, off the coast of Anglesey, Northwest Wales.

### Overview of the Area

## Operational Area

The charted 'Operational area' remains in force.

## Safety Zone

A safety Zone of 500m, on the sea surface, which was established on the MGS Buoy (53° 17' 47.739" N 004° 47' 45.493" W) is now lifted.

A safety Zone of 500m, on the sea surface, will be reinforced around any vessel when offshore operations are carried out, and all vessels are asked to give a wide berth to any vessels working on site.
