### Operations

The RS Sentinel will work on a **24-hour basis**. During the diving operations vessel will be displaying the relevant IRPCS day shapes and night lights and will be monitoring VHF Channels 16 and 12 and have a pro-active attitude monitoring the surroundings

Due to diver operations being operated from the vessel we kindly ask that all vessels in the local vicinity observe a **500m stand-off** at all times.

## Fisheries Liaison Officers

Please note there will be no FLO on-board the RS Sentinel during operations.

FLO Contact:               Name:      Jim Andrews,
