### Welcome to the Awel y Môr Newsletter

August 2021

#### A message from Tamsyn Rowe, the Project Manager

Greetings! We seem to be speeding through this year already. I hope you have had a pleasant summer and that this newsletter finds you well. I am delighted to inform you that the second round of Awel y Môr public consultation is now open. In addition to the informal consultation we held in 2020, this is the last opportunity to help shape proposals prior to submission of our applications for the necessary development consents next year. I hope you will get involved and I invite you to share your thoughts with us. **The consultation invites comments on all aspects of the project and the virtual portal will be live at [www.awelymor.cymru](http://www.awelymor.cymru) from 31st August until 11th October 2021.** We are planning on hosting face-to-face information events in North Wales, as long as COVID regulations allow. Please keep an eye on our website for the latest information.

The Awel y Môr statutory consultation opens on 31<sup>st</sup> August. Please take a look at our virtual exhibition online and send us your views. You can do this by completing a project **questionnaire (available to complete directly through our website or virtual exhibition platform: [www.awelymor.cymru](http://www.awelymor.cymru) / <https://exhibition.awelymor.cymru/>**, calling or emailing us directly (please refer footer directly below for contact details).

## Out-and-about in your community

We know that virtual consultation is not the same as meeting in person. We really hope to hold face-to-face events as part of our consultation. These will be Covid-19 dependent and advertised on our website.

## Where you can access consultation documents locally

We have shared copies of our non-technical consultation documents and project questionnaires for you to view and complete in person, in and around North Wales. Please contact the locations in the table below to organise booking a computer to view our consultation materials digitally, or to organise viewing the select consultation materials in hard copy. Please contact us if you need any further assistance in accessing our consultation documents (contact details provided in footer).

**Please contact the libraries below before visiting, to confirm access to computers for viewing our consultation materials, and/or provision of hard copy consultation materials.**
